

VISITOR PROTOCOL

We very much want you to enjoy your visit to Singing Hills, but it is essential if we do not want to be forced into another lockdown, that you follow the 'protocol' put in place for members, member's guests and visitors alike, so golf can continue to flourish.

Please read this 'protocol' thoroughly before arriving at the course, so you can put it into practice, and make sure any playing partners are advised to read this too.

Your support on this matter is very much appreciated, we want Singing Hills to be known as a friendly welcoming Club, but anyone found not to be following this guidance will unfortunately be asked to leave the course.

PLEASE MAINTAIN SOCIAL DISTANCING AT ALL TIMES, "PLAY SAFE, STAY SAFE"

- Please **DO NOT** move chairs from these tables to other tables.
- Please **DO NOT** join two tables together.
- If you are a larger family, or a group of 6 please ask staff to bring out additional seating to accommodate you.
- If you are on the patio & it rains & you have to come inside, only two households can sit together, which means your 4 ball is likely to have to split over two tables.
- If you are on the patio & it rains & there is no internal seating available, I am afraid you will need to finish your drink & leave.
- **Details of all visitors including name, telephone number & email need to be given to the staff for track & trace purposes. This information will be destroyed after 21 days.**
- No orders for drinks will be taken at the bar, the bar staff will take an order at your table:
 - As you enter the bar, indicate to the barman that you require a drink then take a seat at your table in the bar or on the patio.
 - A member of staff will come to your table, take your details for track and trace purposes (QR codes are available for those with the NHS Covid 19 App) & take your order, then bring the drinks to your table & take payment, we would prefer contactless as much as possible.
 - A menu will be provided, if in addition to drinks you require food in the bar, which is served up to 4pm daily. Once you have made your choice(s) please order at the restaurant till being mindful to socially distance from other people waiting to be served and from people sitting at tables in the restaurant. Payment is made on placing the order, ideally again contactless rather than cash & if at all possible one person to order for all your table with payment. The food with cutlery etc will then be brought to your table when ready.
 - Please do not sit at a table that has left over glasses or dishes on it until it has been sanitized by staff.
- If you wish to eat in the restaurant, rather than the bar, for breakfast, lunch or any food up to 4pm please book in advance, so we can accommodate you comfortably.
